

Phoenix House – Ladies Washrooms

The continued expansion at the ever popular office block in Basildon needed additional toilet facilities to meet demand.

Talis Projects were asked to remodel an existing archive storage area to become a new modern toilet facility.

The project was again delivered, on time and to budget

Key elements in this fast track project were;

- New Drainage
- New Ventilation
- Energy efficient LED lighting
- Water Saving Sensor Taps
- Modern Corian 1 piece Vanity and Inset Wash-Basins
- Designer Cubicles and Ducted Panels
- Fully Tiled Walls and Floors
- Plasterboard Ceiling with inset feature Lighting
- Modern Sanitary ware with Concealed Cisterns
- New Oak Doors and Frames with Inset Burr Oak Feature Panels
