

Case Study - S. Stibbards & Sons Ltd

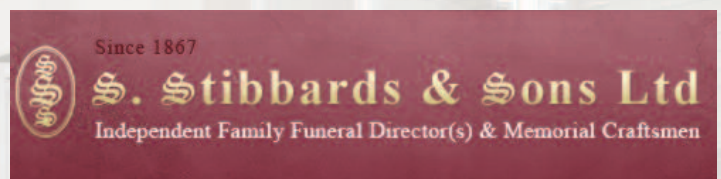

Having previously, assisted S. Stibbards and Sons Ltd with the furnishing for their newly opened Hockley office back in 2010, we were delighted to have the opportunity to work with them once more - this time at their newly refurbished Leigh-on-Sea office.

Having utilised our space planning service, together with 3d colour rendering, we were able to work closely with them from our initial designs stage through to a successfully completed installation.

By supplying quality reproduction furnishings, we ensured that our client's wish to provide a peaceful and relaxed atmosphere for family and friends in which to make funeral arrangements was achieved.
